

TCF CENTER

DETROIT, MI USA

OVERVIEW

TCF Center is the 17th largest convention center in the United States. Managed by ASM Global since 2010, the venue was awarded the largest naming rights contract for a convention center in 2019, becoming the TCF Center. In 2020, the facility was awarded the USGBC Leadership Award for Building Performance and is the only convention center in the world to receive this honor. Situated on the bank of the mighty Detroit River, TCF Center overlooks Windsor, Ontario and is an international destination. This is a different Detroit.
